TO OBTAIN A COPY OF YOUR ARIZONA CRIMINAL RECORD

Arizona Department of Public Safety

2222 W. Encanto Blvd.

Phoenix, AZ 85009

Phone: 602.223.2222

Website: <https://apps.supremecourt.az.gov/publicaccess/caselookup.aspx>

TO OBTAIN AN ARIZONA STATE IDENTIFICATION (ID) CARD

The identification card is available to all ages (including infants). The fee for the ID card is \$12. Persons 65 or older can obtain the card free of charge. In addition, those receiving Federal Supplemental Security Income disability checks may qualify for a free card based on eligibility. ID cards are available at any MVD office.

Cottonwood MVD: 525 S. 12th St. Cottonwood, AZ 86326 (800) 251-5866

Prescott MVD: 1105 Commerce Dr. Prescott, AZ 86305 (800) 251-5866

TO OBTAIN A COPY OF YOUR ARIZONA DRIVER'S LICENSE

Arizona issues an "extended" driver license that does not expire until age 65. However, your photo and vision screening will need to be updated every 12 years. Drivers 60 years old and older will receive a five-year license. **Your inmate Identification band can be used as a legal form of identification.**

Safety and Security

Customers will receive their credential in the mail at the address listed on their application. Allow up to 15 days to receive it. Update your address if needed. A temporary credential receipt with the cardholder's photo will be issued at the office.

If you have outstanding or unresolved actions in any other state, an Arizona license will not be issued. If you provide false information, your Arizona driver license will be canceled. Be Prepared and plan ahead. Follow the simple steps to complete your application in advance, and submit it to MVD. This will speed up the process once you're in the office. Make sure you bring all required identification documents.

TO REINSTATE YOUR LICENSE

Complete an investigation packet (<http://www.azdot.gov/docs/default-source/mvd-forms-pubs/99-0139.pdf?sfvrsn=7>) once you are eligible to reapply. Your packet will be reviewed and upon determining eligibility to reinstate, a Permission to Reapply Notice will be mailed to you. Follow the instructions on how to proceed. For alcohol and drug-related revocations, you will be required to obtain proof of Future Financial Responsibility, known as an SR-22.

Bring the proof and your notice to any MVD or Authorized Third Party office, fill out an application, pay a \$20 reinstatement fee (no personal checks), in addition to an application fee.

If you are required to have an ignition interlock device, contact MVD before installation to determine if there are any actions on your record that would prohibit your operating a motor vehicle. Proof of installation of a functioning interlock device must be provided prior to reinstatement.

Suspension

Suspension is the temporary removal of your privilege to drive. It is an action taken after a review of your driving record. After your suspension period has ended, your driving privilege will remain suspended until your application for reinstatement is approved.

Suspended for Failure to Pay a Ticket or Appear in Court

To reinstate your license

- contact the court listed on the suspension notice and pay all court penalties due.
- obtain a court clearance receipt (with a final disposition code and date, violation code and date, and complaint number) or a Court Abstract form.
- bring the receipt or Abstract to any MVD driver license office and pay a \$10 reinstatement fee (no personal checks), in addition to an application fee. If we do not have a digital photo on file, you must apply in person. Otherwise, you may pay these fees by mail or online.

Suspended for Any Other Reason

To reinstate your license, you must pay a \$10 reinstatement fee in addition to an application fee. If we do not have a digital photo on file, you must apply in person. Otherwise, you may pay these fees by mail or online.

You must obtain proof of future financial responsibility if suspended for one of these reasons:

- Court-conviction suspension for DUI (If suspended by MVD [not court-directed] and it is your first suspension, then future financial responsibility is not needed.)
- Implied-consent suspension for refusal or failure to complete a drug or alcohol test
- Violation of vehicle insurance laws
